

Stephen Molloy **Chief Product Officer (CPO)**

Year of birth: 1981

Nationality: Australian

Stephen Molloy has been Chief Product Officer (CPO) of the Scout24 Group and member of the Executive Leadership Team since April 2025. As CPO, Stephen Molloy drives the company's product vision and strategy. Amongst other things, he is responsible for product development, software delivery, user experience, search engine optimization, market analysis and innovation.

He has been with ImmoScout24 since 2017, where he most recently served as Vice President of Product Management. In this role, he mainly focused on developing the product suite for ImmoScout24's B2B customers. Prior to joining ImmoScout24, Stephen Molloy worked at REA Group, where he was responsible for the consumer search for around five years.

Stephen Molloy has more than 20 years of experience in the digital field. His international career has taken him to Boston, Melbourne, London, New York, and Berlin, allowing him to gain extensive experience in various digital markets. Stephen Molloy began his professional career as a software engineer and brings strong technical expertise to his leadership role.

He holds bachelor's and master's degrees in technology from the Swinburne University of Technology and Monash University.
